

Organelle Speed Dating

Organelle Dating Profile

Are you looking for an organelle that is comparable with you?

©Gary Thomas / IllustrationsOfCells/1086240

Do you fit the role?

Looking for attractive Organelles!

- What does your organelle look like?
- Where is it located?

©SciencePhoto.com

- What is the function of the organelle?
- Can you compare the organelle to anything else in the real world?
- Why is the organelle important?
- What other organelles do you work well with?
- Does your organelle have any special features that are appealing?
