

Scavenger Hunt Extra Credit List A-C

- Acorn
- Aggregate fruit
- Algae
- Amniotic egg
- Amphibian adult
- Amphibian larva
- Angiosperm
- Animal larva or pupa
- Animal skull, without muscle tissue
- Animal track
- Annual plant
- Ants
- Ape
- Arachnid
- Aspen leaf
- Autotroph
- Bamboo
- Basidiomycota
- Beehive
- Beetle
- Birch leaf
- Bivalve shell
- Black walnut leaves
- Bracket fungi
- Branch with alternate budding
- Branch with opposite budding
- Branch with whorled leaves
- Bromeliad
- Bryophyte
- Bulb
- Butterfly
- Cactus
- Carnivore
- Carnivorous dinosaur
- Carnivorous plant
- Caterpillar
- Cattail plant
- Chrysalis
- Cicada or locust
- Clam, freshwater
- Cnidarian
- Community
- Complete flower
- Consumer
- Cotyledon
- Crayfish
- Cricket
- Crustacean
- Cycad

Scavenger Hunt Extra Credit List D-G

- Dicot flower
- Dicot plant
- Dioecious plant
- Dogwood leaf
- Down feather
- Drupe
- Duckweed
- Earthworm
- Eastern hemlock
- Ecological succession
- Ectothermic animal
- Electron microscope
- Electrophoresis machine
- Endangered species
- Epiphyte
- Ex. plant adaptation
- Ex. animal adaptation
- Ex. asexual reproduction
- Ex. commensalism
- Ex. hazardous waste disposal
- Ex. mutualism

- Family Felidae
- Family Lemuridae
- Femur of a chicken
- Fiddlehead
- Filicinophyte
- Fish
- Flight feather
- Flower containing anthocyanin
- Flower containing Xanthophyll
- Flower pollinated by an insect
- Follicle
- Fossil
- Frond
- Furculum of the chicken
- Genetic variation within a population
- Genus Giraffa
- Genus Loxodonta
- Genus Ursus
- Gingko leaf
- Grasshopper
- Grub
- Gymnosperm

Scavenger Hunt Extra Credit List H-M

- Habitat under ecological restoration
- Hackberry leaf
- Herbivore
- Herbivorous dinosaur
- Heron nests
- Heterotroph
- Hiking trail
- Honey locust leaf
- Horsetail
- Humerus of a chicken
- Imperfect flower
- Incomplete flower
- Insect
- Insect adaptation
- Isopod
- Jack pin

- Ladybug
- Leaf scar
- Leaf with dentate margin
- Leaf with incised margin
- Leaf with palmate venation
- Leaf with pinnate venation
- Leaf with serrate margin
- Leech
- Lenticel
- Lichen
- Litter being cleaned up
- Lizard
- Maggot
- Maple fruit
- Mold
- Mollusk
- Monkey
- Monocot flower
- Monocot plant
- Mosquito
- Moss
- Mulberry leaf
- Mushroom

Scavenger Hunt Extra Credit List N-Q

- Nest
- Nurse tree
- Orchid
- Organism's home
- Owl pellet
- Oxeye daisy
- Palm
- Parasite and host
- PCR machine
- Pine cone
- Pine leaf
- Phlox flower
- Planaria
- Plant representative of the carnation family
- Plant representative of the legume family
- Plant representative of the lily family
- Plant representative of the mint family
- Plant representative of the mustard family
- Plant representative of the rose family
- Plant which produces vegetables
- Plant with a tap root

- Pome
- Population
- Poriferan
- Predator
- Prey
- Producer
- Product made by bacteria used by humans
- Product made by insects used by humans
- Product made from recycled materials
- Protozoa
- Quercus leaf

Scavenger Hunt Extra Credit List R-W

- **Recyclable item**
- **Red clover**
- **Redbud leaf**
- **Representative of Class Aves**
- **Representative of Class Osteichthyes**
- **Representative of Class Reptilia**
- **Representative of Order Coleoptera**
- **Representative of Order Diptera**
- **Representative of Order Hymenoptera**
- **Representative of Order Lepidoptera**
- **Representative of Order Orthoptera**
- **Representative of Phylum Arthropoda**
- **Representative of Phylum Echinodermata**
- **Research lab**
- **Rhizome**
- **Salamander**
- **Salmon**
- **Scavenger**
- **Science based lecture for the public**
- **Scientific journal**
- **Seed dispersed by animals**
- **Seed dispersed by wind or water**
- **Sepals on a flower**
- **Silver maple leaf**
- **Slug**
- **Snail**
- **Snake**
- **Snake skin (molted)**
- **Sowbug**
- **Spider web**
- **Stem or branch with thorns**
- **Succulent leaves**
- **Thistle**
- **Tick**
- **Tree more than 6 foot in diameter**
- **Tuber**
- **Univalve organism**
- **Wetland**
- **Wild violet flower**
- **Weeping willow leaves/tree**
- **Wood sorrel plant**
